## New Mobile Mixer Truck

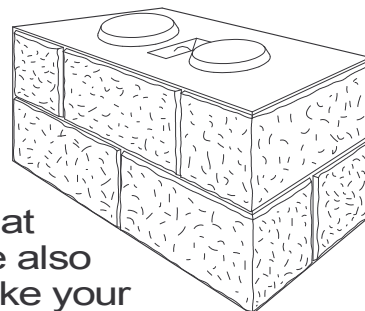

Our new mobile mixer truck is ready to bring concrete to your site.

1 to 8 yards with 1/4 yard increments.

4,000 or 5,000 psi concrete

## Retaining Wall Blocks Design Guide Online Now

Are you designing or installing a retaining wall but not sure what to do? Our design guide is now online at our website or call us for a copy. We also have a design program so we can take your site information and come up with a solution.

## Expanded Pipe & Fittings Line

We are now carrying 6" & 8" SDR35 pipe as well as 6" schedule 40 pipe. We have also expanded our line of fittings for these sizes.
